The series has been enhanced and updated to better address the needs of today's students, pre-professionals, and professionals who need a working knowledge of Spanish. Finance, Basic Spanish for Medical Personnel, Basic Spanish for Law Enforcement, Basic Spanish for Social Services," and "Basic Spanish for Teachers," are communication worktexts that encourage students to use and practice the grammar learned in "Basic Spanish." The worktexts present realistic situations a student will encounter in everyday life when needing to communicate in Spanish as well as a variety of authentic workplace situations likely to be encountered by professionals, with attention to specialized vocabulary of each profession, dialogue completions, role-plays, and realia-based activities. "Para escuchar y entender section" reinforces listening through two types of audio exercises "Practica" (grammar exercises) and "Que dicen?" (listening comprehension). "End-of-lesson activity" provides practice of the active vocabulary introduced in each lesson, in the "Palabras y mas palabras" (words and more words), followed by "En estas situaciones," a pair/group activity that encourages students to apply structures and vocabulary learned in the lesson. "Communicative activities" encourage practice of the grammar points through role-plays and group situations.
