Life is unpredictable and full of challenges. One wrong step and everything can come crashing down. In such a scenario, one often wishes for a roadmap of life, but how is that possible? Bestselling author Radhakrishnan Pillai's much-anticipated book, Chanakya in Daily Life, will help you navigate the rough seas of life and stay on course. Covering all aspects of life from the personal to the professional, it will tell you everything from how to begin your day to how to end it, how to choose the right job, stay financially secure, have a happy married life, raise your children the right way, achieve the perfect work-life balance and much more. Like always, Pillai decodes and simplifies the visionary king-maker Chanakya's teachings from the Arthashastra and Chanakya Niti to provide solutions for any problem that might crop up in any aspect of your life. Thus, Chanakya in Daily Life is the perfect guru who expects only one thing from the shishya—a willingness to learn.

In the idyllic university town, young women daydreamed as they lay on the grass and gazed up at the clouds. Young men took morning walks at Alfred Park. Hot summer afternoons were for drinking sherbet and eating watermelons, and evenings were meant for reading poetry. It was also a time of stifling social mores, and love was an unattainable ideal seldom realized. Allahabad of the 1940s is the serene backdrop to the turbulence of Chander's love for his professor's daughter Sudha. Driven by his passionate belief in the transcending purity of their love, Chander persuades Sudha to marry another man, to devastating consequences. Unhinged by his separation from Sudha and consumed by a restless desire to make sense of love—Is it really about sex? Is the purity of love a lie?—Chander spirals into a destructive affair with the seductive Pammi. Immensely popular since its publication more half a century ago, Chander & Sudha continues to seduce readers with its potent mix of tender passion and heartbreaking tragedy.

Chanakya the real author of this work, after whose name this book has been named, was one of the Ministers of the Rajah Chandragupta of Magadh Desh, now called Patna, which stands on the banks of the Ganges. It was then an independent sovereignty and ruled by the kings of the Gupta Dynasty, which, on its downfall, was succeeded by the Nanda Dynasty. Chanakya was a great poet and one of the eminent Sanskrit Scholars of his day. Chanakya Niti Darpan means, a looking glass, in which politics by Chanakya may be viewed. It contains 343 couplets and has been divided into 17 chapters, each containing 20 couplets, more or less. This work met with the approval and approbation of every Sanskrit scholar and gained such a publicity that one who had even the least knowledge of the Sanskrit language, could hardly plead his ignorance of this book. Later on, commentaries on Bhasha, or the vernacular language of the country, were published for the use of those who could not understand the original Sanskrit text. Sanskrit Grammar is so difficult that one, without its thorough knowledge, cannot understand Sanskrit sentences or couplets and the perfect mastery of the Grammar means years and years together and sometimes the whole life of a man of middle class intellect.

The book is divided into several sections covering Warren Buffett's personal business management: . Managing one's life - focuses on Buffett's insistence on a good education, picking one's heroes early in life, and staying away from things that damage you personally. The authors also discuss Buffett's belief that challenges make life interesting. . Managing One's Career - Buffett believes that you should work at something that you are passionate about. Do what you like and you will find a way to make money. Do what you hate and you will be miserable even if you are rich. . Managing Employees - place honesty on the same level as intelligence as a managerial attribute. How to keep managers inspired and working hard. . Managing the Business - Buffett has learned that companies that have a durable competitive advantage over their competitors consistently earn more money year after year and are the easiest to manage. . Managing of Personal Money - discover the simple rules that Buffett uses for buying other businesses and how he has incorporated them into his own personal investment style.

?A learned man and a king are not equal, as the former is respected everywhere, but the latter only in his own dominions.? Canny, contemplative and courageous, Chanakya is known as one of India's most multifaceted and enduring gurus. His smart, sage advice, captured forever in the twin classic treatises ? the Arthashastra and the Nitishastra ? has both the detailing of a draughtsman and the wide-ranging wisdom of a genius. Scholar, teacher, visionary, political strategist, economic philosopher and royal adviser, Chanakya put forth invaluable lessons that changed the course of history. Humiliated by Dhana Nanda, the ruler of Magadha, Chanakya turned adversity into strength and challenge into opportunity. Through clever diplomatic manoeuvres and wise confrontations, he choreographed young Chandragupta's rise as the founder of the Mauryan empire, the first of its kind in power and territorial extent. Melding his knowledge with a shrewd observance of life, Chanakya outlined political and economic philosophies in a long-lasting body of pithy truths. And that is why, centuries later, his work and his words matter in today's world. This book brings together the transformative incidents that shaped Chanakya's life, and his most important sayings. From his understanding of the ideal way of life, you too can learn to be a little bit like Chanakya. PLUS: * Flipbook action page corner for a touch of fun * Timeline: A chronology of Chanakya's life * Bonus Teachings!: A hundred tactical tips from Chanakya's treasury of wisdom

Chanakya's Chant is a racy and gripping account on Chanakya, one of the greatest political strategists India has seen. The story changes track as it narrates the tale of Gangasagar Mishra, the reincarnation

of Chanakya, in parallel. Will he be the next kingmaker? Gangasagar Mishra, a denizen of a quaint old Indian town, is no ordinary man. Society sees him as a Brahmin teacher who can barely make ends meet, but he's the reincarnation of the man who brought the fragmented subcontinent together under a single empire – Chanakya. Chanakya's Chant by Ashwin Sanghi gives its readers a look into two parallel worlds that are tied together by the intelligence of the main protagonists. The first story is set in 340 BC, when a young Brahmin man, fueled by the death of his father, vows revenge against the king and overthrows his rule by bringing in Chandragupta Maurya, the first emperor of the Maurya Dynasty. The scene then shifts to modern day India, where Gangasagar Mishra leads his life as a nonentity – until he decides to groom an ambitious girl from Kanpur into India's prime minister. Will Chanakya's manipulative mechanisms change the face of the nation again? The book takes readers on a joyride through Chanakya's cold and calculating moves. Chanakya's Chant was very well received by critics and readers. Renowned bureaucrat and writer Shashi Tharoor released the book in Mumbai and termed it a gripping and delightful read. The book is a historical account, but features many colloquial terms too.

Chanakya, the most powerful strategist of 4th Century BC, documented his ideas on management, in the Arthashastra. In the present book, the author simplifies these ageold formulae for success in today's corporate world. Corporate Chanakya on Management applies Chanakya's wisdom across a host of areas including recruitment and employee management, finance and accounting, time management, the role of team work and organisational strategy. Gain from this guide and discover the Chanakya in you...

One of the most popular Indian novels of all ages, 'Ananda Math' was translated innumerable times into Indian and English languages. Five editions were published in Bengali and Hindi during the author's lifetime, the first in 1882. The novel has the backdrop of the 18th century famine in Bengal, infamous as "Chhiyattorer Manvantar" (famine of 76th Bengali year, 1276), to narrate the saga of armed uprising of the ascetics and their disciples against the pillaging East India Company rulers. The uprising is historically known as 'Santan Vidroha', the ascetics being the children of Goddess Jagadambe. The saga of 'Ananda Math' is thrilling and best epitomised in the patriotic mass-puller song "Bande Mataram" ('Hail thee, O My Motherland'). The song is still a mantra that stirs imagination of millions of Hindus. The ascetics robbed the tormentors of people — the British rulers and the greedy zamindars — distributed the looted wealth to poverty-stricken people but kept nothing for themselves. Their targets were mostly the Company armoury and supplies. They had a highly organised setup, spread throughout Bengal. It was also India's first battle for freedom, and not the Sipahi Vidroha of 1857.

He was born a Kshatriya. He became a Brahmarishi. When Satyavati, wife of Rishi Ruchik, exchanges with her mother, Queen Ratna, the magic potion for bearing a child, they change not just their children's destiny, but also the history of mankind. Born of this mix up is Vishwamitra, the son of a Kshatriya, with the qualities of a Brahmin. The duality in his life soon begins to show as he strives to become a Brahmarishi—the ultimate, the most powerful of all Gurus. With the creation of the Gayatri Mantra he begins a tapasya that makes him second to none. He challenges the Gods and shakes the very foundation of the heavens. Vishwamitra is the powerful, riveting story of a brave but stubborn, haughty yet compassionate, visionary king of Aryavarta who not only acquires material wealth through military conquests but also becomes one of the most well-known sages of all times.

Born a warrior, he relinquished his kingdom to do penance. When Indra, the Lord of heaven, refused entry to King Trishanku, the sage, known for his determination, created a parallel heaven for the king who had sought his help. He trained Sri Rama and his brother Lakshmana in warfare and taught them the use of celestial weapons to prepare them for the great war they were destined to fight later. An extraordinary sage, Vishwamitra was also a seer whose hymns are part of the sacred Rig Veda.

In this second book of the series, you will follow Lady Sita's journey from an Adopted Child to the Prime Minister to finding her true calling. She is the warrior we need. The Goddess we await. She will defend Dharma. She will protect us. India, 3400 BCE. India is beset with divisions, resentment, and poverty. The people hate their rulers. They despise their corrupt and selfish elite. Raavan, the demon king of Lanka, grows increasingly powerful, sinking his fangs deeper into the hapless Sapt Sindhu. Two powerful tribes, the protectors of the divine land of India, decide that enough is enough. A savior is needed. They begin their search. An abandoned baby is found in a field. Protected by a vulture from a pack of murderous wolves. She is adopted by the ruler of Mithila, a powerless kingdom, ignored by all. Nobody believes this child will amount to much. But they are wrong. For she is no ordinary girl. She is Sita.

Ajay believes in living for himself; Bhavna teaches him to live for others. Ajay is a planner for life; Bhavna makes him live in every moment. You are the Best Wife is a story of two people with contradictory ideologies who fall in love. It changes them for good. It changes the way they look at the world and the way the world looks at them. Until destiny reveals its plans. This is a true inspiring story of the author and his struggle with life, after his beloved wife left him halfway through their journey. But her last words, 'you are the best husband' gave him the strength to live on, and fulfil his promise of love. Told with frankness and doses of humor, this heartwarming tale of a boy and a girl who never gave up on their love in face of adversities, ends on a bittersweet and poignant note as Ajay comes to terms with the biggest lesson life has to offer.

Chanakya Neeti' is a treatise on the ideal way of life and shows Chanakya's deep study of the Indian way of life. Chanakya is regarded as a great thinker and diplomat in India. The book portrays about his ideologies and ideas in diverse situations, which are pertinent even to today's times. The topics discussed in this book are morality, ethics, governance and several others. Chanakya, traditionally known as Kautilya or Vishnu Gupta, was an Indian teacher, philosopher, economist, jurist and royal advisor. He wrote the 'Arthashastra', an ancient Indian political treatise. Considered a pioneer in the field of Political Science and Economics in India, his works, lost towards the end of the Gupta Empire, were fortunately rediscovered in 1915. He played a crucial role in the establishment and expansion of the Mauryan Empire.

An extraordinary detailed manual on statecraft and the science of living by one of classical India's greatest minds; Kautilya; also known as Chanakya and Vishnugupta; wrote the Arthashastra not later than 150 AD though the date has not been conclusively established. Legend has it that he was either a Brahmin from Kerala or from north India; however; it is certain that Kautilya was the man who destroyed the Nanda dynasty and installed Chandragupta Maurya as the King of Magadha. A master strategist who was well-versed in the Vedas and adept at creating intrigues and devising political stratagems; Kautilya's genius is reflected in his Arthashastra which is the most comprehensive treatise of statecraft of classical times. The text contains fifteen books which cover numerous topics viz.; the King; a complete code of law; foreign policy; secret and occult practices and so on. The Arthashastra is written mainly in prose but also incorporates 380 shlokas. Artha; literally wealth; is one of four supreme aims prescribed by Hindu tradition. However; it has a much wider significance and the material well-being of individuals is just a part of it. In accordance with this; Kautilya's Arthashastra maintains that the state or government of a country has a vital role to play in maintaining the material status of both the nation and its people. Therefore; a significant part of the Arthashastra has to do with the science of economics. When it deals with the science of politics; the Arthashastra describes in detail the art of government in its widest sense—the maintenance of law and order as also of an efficient administrative machinery.

'A single bullet took one life and shattered three others. Mine, among them. My brother shot my father. My mother heard the shot. Approximately 1400 kilometers away, in the Armed Forces Medical College at Pune, where I was pursuing a postgraduate course in pathology while serving as assistant warden of the hostel, the telephone rang. It was the night of December 4, 1977, a night that changed me forever.' This book presents Dr Arvind Lal's journey as a spiritual seeker and an accidental entrepreneur. How did a saint from a remote Himalayan village called Hairakhan transform Arvind's life? How did Lal

pathlabs become a household brand in India? How does spiritualism shape his thoughts as an entrepreneur? Can work and spirituality gel in a 'karma yoga' form as mentioned in ancient Hindu scriptures? Woven around Arvind's life, this book answers these and many other questions about work, life and spirituality.

The only extant treatise on statecraft from classical India, the Arthashastra is an invaluable resource for understanding ancient South Asian political thought; it also provides a comprehensive and unparalleled panoramic view of Indian society during the period between the Maurya (320-185 BCE) and Gupta (320-497 CE) empires. This volume offers modern English translations of key selections, organized thematically, from the Arthashastra. A general Introduction briefly traces the arc of ancient South Asian history, explains the classical Indian tradition of statecraft, and discusses the origins and importance of the Arthashastra. Thorough explanatory essays and notes set each excerpt in its intellectual, political, and cultural contexts.

Chanakya was undoubtedly ancient India's finest political strategist and thinker. His brand of wisdom is ageless and imitable. This volume forcefully impresses upon one, the need and the permanence of a moral code. The book has a large smattering of pithy observations on women, family life, human relationships, moral conduct and spirituality. Chanakya's startling prophecies, meaningful reflections on everyday living and headed axioms, make this book a rich repository of profundity and reason.

Otherwise, why else even be here?" —STEVE JOBS

As the intellectual fountainhead of the ideology of Hindutva, which is in political ascendancy in India today, Vinayak Damodar Savarkar is undoubtedly one of the most contentious political thinkers and leaders of the twentieth century. Accounts of his eventful and stormy life have oscillated from eulogizing hagiographies to disparaging demonization. The truth, as always, lies somewhere in between and has unfortunately never been brought to light. Savarkar and his ideology stood as one of the strongest and most virulent opponents of Gandhi, his pacifist philosophy and the Indian National Congress. An alleged atheist and a staunch rationalist who opposed orthodox Hindu beliefs, encouraged inter-caste marriage and dining, and dismissed cow worship as mere superstition, Savarkar was, arguably, the most vocal political voice for the Hindu community through the entire course of India's freedom struggle. From the heady days of revolution and generating international support for the cause of India's freedom as a law student in London, Savarkar found himself arrested, unfairly tried for sedition, transported and incarcerated at the Cellular Jail, in the Andamans, for over a decade, where he underwent unimaginable torture. From being an optimistic advocate of Hindu-Muslim unity in his treatise on the 1857 War of Independence, what was it that transformed him in the Cellular Jail to a proponent of 'Hindutva', which viewed Muslims with suspicion? Drawing from a vast range of original archival documents across India and abroad, this biography in two parts—the first focusing on the years leading up to his incarceration and eventual release from the Kalapani—puts Savarkar, his life and philosophy in a new perspective and looks at the man with all his achievements and failings.

Chanakya in You is the charming, lighthearted yet profound tale of a man inspired by his grandfather to seek the wisdom of the Arthashastra. Journey with a modern-day disciple of Chanakya as he goes from being an aimless youth to the richest man in the world, inspiring a whole nation to take up study of Sanskrit and ancient Indian literature for business success. Interestingly, this book does not have a single character with a name. The story is about you and your journey through life. While you flip through the pages, you may well find yourself walking the hero's path to bring out the Chanakya inside you. The book can be read by a parent or a young adult, by a business tycoon or an academic scholar, with equal ease and interest. This is a book for the people; a book that makes you think. Don't put it down until you discover the Chanakya in You! Radhakrishnan Pillai, has an MA in Sanskrit and is a certified explorer of the magic of Chanakya and the Arthashastra. Strategies for Success "An action contemplated shouldn't ever be advertised; But kept a secret like a mantra, and revealed in time." We all feel stuck at times. There could be many reasons for this—issues at work, unhappy family life, financial troubles or embarrassing social situations. Most of us could use a little advice in these circumstances. Chanakya Neeti provides precisely that guidance to face life's many daunting challenges. Chanakya, the great thinker and teacher, is wellknown for his insights into the needs of both the privileged and the masses. The original Chanakya Neeti was written over two thousand years ago, but its brilliant verses are still applicable today because the basic quests of man remain the same—peace, prosperity and happiness. In this volume, Radhakrishnan Pillai offers a modern interpretation of Chanakya's crisp and practical maxims in his characteristic easytofollow and elegant prose. Imbibe Chanakya's wisdom to break loose from the web of troubles and create the life you desire on your terms. Radhakrishnan Pillai is the bestselling author of Corporate Chanakya, Chanakya's 7 Secrets of Leadership, Chanakya in You, Katha Chanakya and Thus Spoke Chanakya. He has a Master's degree in Sanskrit and has done his PhD in Kautilya's Arthashastra. A renowned management consultant and speaker, he is the Deputy Director of the Chanakya International Institute of Leadership Studies (CIILS) at the University of Mumbai. He tweets using the handle @rchanakyapillai and is also active on other major social media platforms.
