The uneasy balance between these worlds is shattered when Starr witnesses the fatal shooting of her childhood best friend Khalil at the hands of a police officer. Khalil was unarmed. Soon afterward, his death is a national headline. Some are calling him a thug, maybe even a drug dealer and a gangbanger. Protesters are taking to the streets in Khalil's name. Some cops and the local drug lord try to intimidate Starr and her family. What everyone wants to know is: what really went down that night? And the only person alive who can answer that is Starr. But what Starr does—or does not—say could upend her community. It could also endanger her life. Want more of Garden Heights? A bestselling modern classic—both poignant and funny—about a boy with autism who sets out to solve the murder of a neighbor's dog and discovers unexpected truths about himself and the world. Nominated as one of America's best-loved novels by PBS's *The Great American Read* Christopher John Francis Boone knows all the countries of the world and their capitals and every prime number up to 7,057. He relates well to animals but has no understanding of human emotions. He cannot stand to be touched. And he detests the color yellow. This improbable story of Christopher's quest to investigate the suspicious death of a neighborhood dog makes for one of the most captivating, unusual, and widely heralded novels in recent years.

Novel based on Pirates and buried gold of Treasure Island (Imaginary place).

A new edition of Bulgakov's fantastical precursor to *The Master and Margarita*, part of Melville House's reissue of the Bulgakov backlist in Michael Glenny's celebrated translations. A key work of early modernism, this is the superbly comic story of a Soviet scientist and a scroungy Moscow mongrel named Sharik. Attempting a medical first, the scientist transplants the glands of a petty criminal into the dog and, with that, turns a distinctly worryingly human animal loose on the city. The new, lecherous, vulgar, Engels-spouting Sharik soon finds his niche in governmental bureaucracy as the official in charge of purging the city of cats. A Frankenstein fable that's as funny as it is terrifying, *Heart of a Dog* has also been read as a fierce parable of the Russian Revolution. It was rejected for publication by the censors in 1925, and circulated in samizdat for years until Michael Glenny translated it into English in 1968—long before it was allowed to be officially published in the Soviet Union. That happened only in 1987, although till this day the book remains one of Mikhail Bulgakov's most controversial novels in his native country.

Tells a story about the strange relationship of two migrant workers who are able to realize their dreams of an easy life until one of them succumbs to his weakness for soft, helpless creatures and strangles a farmer's wife.

Simple words, rebus pictures, and flash cards make learning to read easy in this tale of a little boy in a haunted house.

Faith is joy is love is hope in this novel of exquisite power and everyday miracles, reminiscent of Barbara Kingsolver's *THE POISONWOOD BIBLE*. Thomas can see things no one else can see. Tropical fish swimming in the canals. The magic of Mrs. Van Amersfoort, the Beethoven-loving witch next door. The fierce beauty of Eliza with her artificial leg. And the Lord Jesus, who tells him, "Just call me Jesus." Thomas records these visions in his "Book of Everything." They comfort him when his father beats him, when the angels weep for his mother's black eyes. And they give him the strength to finally confront his father and become what he wants to be when he grows up: "Happy."

Biblical Evidence That Animals Really Do Go To Heaven. If you have pets or are grieving the loss of a pet then you must read this book. We love our pets and they love us. They become part of the family and it is painful when we have to say goodbye, however, you will be comforted to know that they are not gone forever as many people would believe. Inside this book you will get a glimpse of what heaven will be like and you will see that God loves and cares for his animals and there is indeed a place for them in heaven. In this book you will learn that animals are innocent and are not in need of salvation and that it was never our Heavenly Father' desire that we or his animals would suffer death. The pets that we had to say goodbye to are alive in heaven right now in their spiritual bodies and we will see them again if we accept Jesus as our Savior. *Your Pet Is Not Gone Forever.* I know how hard

it is to lose a pet. I've had the pleasure of caring for many pets throughout my life and I am grief stricken every time one of them passes away. Dealing with the loss of a pet is difficult, especially when you've been taught as a child and led to believe throughout the years by misinformed people such as parents, family, and friends that they are gone forever and that you'll never see them again. After losing my Black Lab back in December 2009 and then my Golden Retriever in 2011 I decided to find out for myself what the Bible had to say about the subject. What I found out was very comforting and I know you will be comforted too when you read this book.

Winner of the Pulitzer Prize for Drama and winner of the New York Drama Critics Circle Award for Best Play, this modern American classic is about family, and the legacy of slavery in America. August Wilson has already given the American theater such spell-binding plays about the black experience in 20th-century America as *Ma Rainey's Black Bottom*, *Joe Turner's Come and Gone*, and the Pulitzer Prize-winning *Fences*. In his second Pulitzer Prize-winner, *The Piano Lesson*, Wilson has fashioned perhaps his most haunting and dramatic work. At the heart of the play stands the ornately carved upright piano which, as the Charles family's prized, hard-won possession, has been gathering dust in the parlor of Berniece Charles's Pittsburgh home. When Boy Willie, Berniece's exuberant brother, bursts into her life with his dream of buying the same Mississippi land that his family had worked as slaves, he plans to sell their antique piano for the hard cash he needs to stake his future. But Berniece refuses to sell, clinging to the piano as a reminder of the history that is their family legacy. This dilemma is the real "piano lesson," reminding us that blacks are often deprived both of the symbols of their past and of opportunity in the present.

The critically acclaimed, award-winning, modern classic *Speak* is now a stunning graphic novel. "Speak up for yourself—we want to know what you have to say." From the first moment of her freshman year at Merryweather High, Melinda knows this is a big fat lie, part of the nonsense of high school. She is friendless—an outcast—because she busted an end-of-summer party by calling the cops, so now nobody will talk to her, let alone listen to her. Through her work on an art project, she is finally able to face what really happened that night: She was raped by an upperclassman, a guy who still attends Merryweather and is still a threat to her. With powerful illustrations by Emily Carroll, Laurie Halse Anderson's *Speak: The Graphic Novel* comes alive for new audiences and fans of the classic novel. This title has Common Core connections.

Journalist Walls grew up with parents whose ideals and stubborn nonconformity were their curse and their salvation. Rex and Rose Mary and their four children lived like nomads, moving among Southwest desert towns, camping in the mountains. Rex was a charismatic, brilliant man who, when sober, captured his children's imagination, teaching them how to embrace life fearlessly. Rose Mary painted and wrote and couldn't stand the responsibility of providing for her family. When the money ran out, the Walls retreated to the dismal West Virginia mining town Rex had tried to escape. As the dysfunction escalated, the children had to fend for themselves, supporting one another as they found the resources and will to leave home. Yet Walls describes her parents with deep affection in this tale of unconditional love in a family that, despite its profound flaws, gave her the fiery determination to carve out a successful life. -- From publisher description.
