The Sebastians own this city. Hell, they own the whole world. All I want is one little piece of it, a corner that I can call my own. So when my boss runs away to “find herself”, I seize the opportunity and dive head first into the Sebastian’s glamorous universe. It’s everything I’ve ever wanted—fast paced and high stakes—and, even though I don’t fit in, I’m excellent at faking it. Until I come face to face with the man in charge, Scott Sebastian, the arrogant, playboy heir with the mind of a devil and the body of a god and a mouth I can’t stop thinking about. He’s infuriating. He’s a distraction. He’s the man who wants me in his bed as much as I want to be there. And, if I get too close, he’ll be the one person who could expose me for what I really am—a fraud.

I didn’t mean to kidnap the groom. It was an accident. Mostly... At least I didn't take much time to plan it. It was more of a spur of the moment kidnapping. Does that count? One minute, the town’s bad boy is standing at the altar about to marry the world’s most evil kindergarten teacher. The next, he’s passed out in my Vespa sidecar with his bride hot on our tail. But I didn't have a choice! I couldn't stand by and watch Jace O’Dell be blackmailed into a loveless marriage. And besides, what’s a little kidnapping between friends? Okay, so maybe we’re not just friends... And maybe I can’t quit thinking about that night at his bar when he closed up early and had me on the rocks. And maybe this crazy stunt is going to blow up in both of our faces. If it does, I’m blaming the moonshine. Even though the only thing I’m hammered on when it comes to Jace is love—straight up, no chaser.

It took all of thirty seconds for two shots to bring the world of Margaret Tabaaha crashing down around her. After losing her husband in Afghanistan during the first year of Operation Enduring Freedom, her two sons were all she had left. Now they had been taken from her violently, deliberately, plunging her into a whiskey bottle and stripping away her reason for living. When Arthur Nakai receives a call from his first love, Margaret, her voice pleading for his help, it comes as he is attending a wake for one of the men he considered a brother from his days in the Marines 6th LAR Wolf Pack Battalion. Feeling a deep and responsible obligation to help her, Arthur soon finds himself involved in the multi-billion-dollar world of the oil and gas industry and coming face-to-face with an old adversary, Elias Dayton. Their paths had crossed when Arthur was a member of the Shadow Wolves, an elite tactical unit within US Customs and Border Protection. Now Dayton runs Patriot Security, a Blackwater-type firm that keeps the oil rigs, gas wells, and man camps secure from the Water Protectors, protesters pushing to stop the fracking and poisoning of Native lands. As Arthur works through the case from his end, Navajo police chief Jake Bilagody tackles it from another angle, looking into the strained relationship between the oil company and the Navajo people, all while searching for a missing Navajo man that may have become an unwilling piece on the reservation checkerboard. But when Arthur learns the identity of the boys' killer, he struggles to make sense of it. Because if the clues are right, he will be forced to make a decision that will haunt him for the rest of his life.

When she challenges me with an offer of her own, I have to decide if I'm willing to give her far more than cold hard cash. But love can have deadly consequences when it comes from a Constantine. At the stroke of midnight, that choice may be lost for both of us.
