Get the skills you need to begin communicating in German quickly and easily! Communicating in a new language can be intimidating. This accessible guide will give you the tools and confidence to understand and converse in German with confidence. Based on the idea that the quickest route to learning a language is through a solid foundation in the basics, Easy German Step-by-Step presents a successful building block approach to mastering German, with important concepts linked together by clear explanations, appropriate exercises, and helpful answers. The first steps introduce you to the everyday expressions of the language, allowing you to communicate in a variety of everyday situations almost immediately. Gradually, a series of interconnected steps takes you from simple to more challenging concepts at your own pace. After working through these exercises, you'll have a better grasp of the language and the skills to handle German with confidence. New for this second edition, the McGraw-Hill Language Lab app streams accompanying audio recordings to help you improve your German pronunciation and fluency. Easy German Step-by-Step, Second Edition features:

- Easy-to-grasp descriptions of essential rules and concepts
- Key verbs and hundreds of key terms introduced on the basis of frequency
- Numerous exercises that give you valuable practice
- Audio recordings of exercise answers throughout the book, streamed via the McGraw-Hill Language Lab app (web and mobile)

**NATIONAL BESTSELLER** • For anyone who wants to learn a foreign language, this is the method that will finally make the words stick. "A brilliant and thoroughly modern guide to learning new languages."—Gary Marcus, cognitive psychologist and author of the New York Times bestseller *Guitar Zero* At thirty years old, Gabriel Wyner speaks six languages fluently. He didn't learn them in school—who does? Rather, he learned them in the past few years, working on his own and practicing on the subway, using simple techniques and free online resources—and here he wants to show others what he's discovered. Starting with pronunciation, you'll learn how to rewire your ears and turn foreign sounds into familiar sounds. You'll retrain your tongue to produce those sounds accurately, using tricks from opera singers and actors. Next, you'll begin to tackle words, and connect sounds and spellings to imagery rather than translations, which will enable you to think in a foreign language. And with the help of sophisticated spaced-repetition techniques, you'll be able to memorize hundreds of words a month in minutes every day. This is brain hacking at its most exciting, taking what we know about neuroscience and linguistics and using it to create the most efficient and enjoyable way to learn a foreign language in the spare minutes of your day.

Written for the person that wants to comprehensively study Spanish, Italian, French, and/or German.

Discover the Best and Fastest Way to Learn German With This Guide Designed Specifically for Beginners. Would you like to: - Learn how to speak German fluently? - Learn proper and accurate German pronunciation? - Master the German vocabulary and daily used phrases?

Easy German Phrase Book is an excellent resource for both serious German language learners or for the casual traveler who's planning a visit to Germany. The book comes packed with 1500 commonly used phrases in German, English and a pronunciation guide to make sure you say the phrases correctly.

Is conversational German turning a little too tricky for you? Do you have no idea how to order a meal or book a room at a hotel? If your answer to any of the previous questions was 'Yes', then this book is for you! If there's even been something tougher than learning the grammar rules of a new language, it's finding the way to speak with other people in that tongue. Any student knows this - we can try our best at practicing, but you always want to avoid making embarrassing mistakes or not getting your message through correctly. "How do I get out of this situation?" many students ask themselves, to no avail, but no answer is forthcoming. Until now. We have compiled MORE THAN

ONE HUNDRED conversational German stories for beginners along with their translations, allowing new German speakers to have the necessary tools to begin studying how to set a meeting, rent a car or tell a doctor that they don't feel well. We're not wasting time here with conversations that don't go anywhere: if you want to know how to solve problems (while learning a ton of German along the way, obviously), this book is for you! How Conversational German Dialogues works: Each new chapter will have a fresh, new story between two people who wish to solve a common, day-to-day issue that you will surely encounter in real life. An German version of the conversation will take place first, followed by an English translation. This ensures that you fully understood just what it was that they were saying. Before and after the main section of the book, we shall provide you with an introduction and conclusion that will offer you important strategies, tips and tricks to allow you to get the absolute most out of this learning material. That's about it! Simple, useful and incredibly helpful; you will NOT need another conversational German book once you have begun reading and studying this one! We want you to feel comfortable while learning the tongue; after all, no language should be a barrier for you to travel around the world and expand your social circles! So look no further! Pick up your copy of Conversational German Dialogues and start learning German right now!

- Practical vocabulary and authentic everyday usage
- Simple explanations and plenty of examples
- Supplemental sections, including e-mail and internet resources
- A comprehensive grammar reference section

NEW YORK TIMES BESTSELLER - Thought leader, visionary, philanthropist, mystic, and yogi Sadhguru presents Western readers with a time-tested path to achieving absolute well-being: the classical science of yoga. NAMED ONE OF THE TEN BEST BOOKS OF THE YEAR BY SPIRITUALITY & HEALTH The practice of hatha yoga, as we commonly know it, is but one of eight branches of the body of knowledge that is yoga. In fact, yoga is a sophisticated system of self-empowerment that is capable of harnessing and activating inner energies in such a way that your body and mind function at their optimal capacity. It is a means to create inner situations exactly the way you want them, turning you into the architect of your own joy. A yogi lives life in this expansive state, and in this transformative book Sadhguru tells the story of his own awakening, from a boy with an unusual affinity for the natural world to a young daredevil who crossed the Indian continent on his motorcycle. He relates the moment of his enlightenment on a mountaintop in southern India, where time stood still and he emerged radically changed. Today, as the founder of Isha, an organization devoted to humanitarian causes, he lights the path for millions. The term guru, he notes, means "dispeller of darkness, someone who opens the door for you. . . . As a guru, I have no

doctrine to teach, no philosophy to impart, no belief to propagate. And that is because the only solution for all the ills that plague humanity is self-transformation. Self-transformation means that nothing of the old remains. It is a dimensional shift in the way you perceive and experience life." The wisdom distilled in this accessible, profound, and engaging book offers readers time-tested tools that are fresh, alive, and radiantly new. Inner Engineering presents a revolutionary way of thinking about our agency and our humanity and the opportunity to achieve nothing less than a life of joy. Praise for Sadhguru and Inner Engineering "Contrarian and consistent, ancient and contemporary, Inner Engineering is a loving invitation to live our best lives and a profound reassurance of why and how we can."--Sir Ken Robinson, author of *The Element*, *Finding Your Element*, and *Out of Our Minds: Learning to Be Creative* "I am inspired by Sadhguru's capacity for joy, his exuberance for life, and the depth and breadth of his curiosity and knowledge. His book is filled with moments of wonder, awe, and intellectual challenge. I highly recommend it for anyone interested in self-transformation."--Mark Hyman, M.D., director, Cleveland Clinic Center for Functional Medicine, and New York Times bestselling author "Inner Engineering is a fascinating read of Sadhguru's insights and his teachings. If you are ready, it is a tool to help awaken your own inner intelligence, the ultimate and supreme genius that mirrors the wisdom of the cosmos."--Deepak Chopra

Every PhD student in theological and biblical studies is expected to read German, but there are surprisingly few resources to help students learn to read and translate scholarly theological works. This streamlined grammar and reader by an experienced teacher and German-language expert presents biblical passages and theological readings of gradually increasing difficulty. Suited for self-study or classroom use, this book helps students to gain the proficiency needed for scholarly theological research.

Benny Lewis, who speaks over ten languages—all self-taught—runs the largest language-learning blog in the world, Fluent In 3 Months. Lewis is a full-time "language hacker," someone who devotes all of his time to finding better, faster, and more efficient ways to learn languages. Fluent in 3 Months: How Anyone at Any Age Can Learn to Speak Any Language from Anywhere in the World is a

new blueprint for fast language learning. Lewis argues that you don't need a great memory or "the language gene" to learn a language quickly, and debunks a number of long-held beliefs, such as adults not being as good of language learners as children.

A course for learning German to understand, speak, read and write German from scratch or for refreshing German learned long ago. Includes 40 lessons with dialogues that include common, useful idiomatic expressions; English translations and explanations of German grammar and usage, pronunciation, vocabulary, and cultural notes; quizzes and review sections; verb charts covering all major tenses; two-way glossary; business and social letter writing; and more. Eight hours of recordings on compact discs allow users to practice lessons at home and while traveling.

A comprehensive introduction to the German language that offers effective strategies, exercises, and advice on learning how to speak, write, and understand basic German.

It's true that some people spend years studying German before they finally get around to speaking the language. But here's a better idea. Skip the years of study and jump right to the speaking part. Sound crazy? No, it's language hacking. Unlike most traditional language courses that try to teach you the rules of German, #LanguageHacking shows you how to learn and speak German through proven memory techniques, unconventional shortcuts and conversation strategies perfected by one of the world's greatest language learners, Benny Lewis, aka the Irish Polyglot. Using the language hacks -shortcuts that make learning simple - that Benny mastered while learning his 11 languages and his 'speak from the start' method, you will crack the language code and exponentially increase your language abilities so that you can get fluent faster. It's not magic. It's not a language gene. It's not something only "other people" can do. It's about being smart with how you learn, learning what's indispensable, skipping what's not, and using what you've learned to have real conversations in German from day one. The Method #LanguageHacking takes a modern approach to language learning, blending the power of online social collaboration with traditional methods. It focuses on the conversations that learners need to master right away, rather than presenting language in order of difficulty like most courses. This means that you can have conversations immediately, not after years of study. Each of the 10 units culminates with a speaking 'mission' that prepares you to use the language you've learned to talk about yourself. Through the language hacker online learner community, you can share your personalized speaking 'missions' with other learners - getting and giving feedback and extending your learning beyond the pages of the book . You don't need to go abroad to learn a language any more.
