Letters to Lovers who Love to Hate Me is the second offering from artist and author Sean Fahie. The book is a collection of short poems and stories written from a perspective of reflection, growth, and learning from mistakes. Like his first book Things About Women and Other Short Stories I Seem to Forget, Fahie offers his insight on life, love, women, and getting drunk. Fahie says, "Letters to Lovers is a continuation from the first book. It's a look at what happens when the party is done, but you still feel like you have to party." Poems from the book Laying Naked is the Best Way to Hear the Truth This girl once told me, "If you were rich you would be the perfect guy. I guess for now there has to be some balance in life." To which I replied, "Some things have to be fair." A Letter to My Open and Honest Relationship I should have lied more.

“I don’t believe in love at first sight.” I was taken aback. I thought we were definitely in love at first sight. “What do you mean? Wasn’t it clear the moment you picked the elderflowers by the park and we looked at each other? Or was it in that book club?” You gave me a damp smile, as if my confusion proved that you were right. As a young girl full of dreams, she is given to a tribal elder in marriage and quickly learns that her girlhood dreams could be shattered overnight. The rain forest held a secret refuge that only Nali knew, where she took her dreams and her delusions. Will she be forced to succumb to a subservient role the rest of her life, or can she overcome the hopelessness that comes with isolation, ignorance and tradition? Deep in the heart of New Guinea lies the village of Mendoka, beautifully camouflaged from the rest of the world. Although the village has yet to be discovered, the outside world would soon have an influence on their lives. An interruption to their peaceful simplicity would both terrify them and cause them to search for answers. Readers will be able to follow the lives of those who lived in a much simpler time and become immersed in the culture that controlled their everyday existence.

Over the hills and far away, a man suddenly finds after being struck by lightning that he is no longer walking in the Cumbrian Fells but is somewhere else entirely. Where that is, however, he does not know. The hills and mountains, lush green forests and the sea pounding at the shore are all unfamiliar and seem to beckon to him, drawing him from the paths and into the land itself. Yet he has little time to familiarise himself with these tantalising new sights and sounds that call to him before an unfortunate accident ends with him destroying a lighthouse and soon after a trading vessel that belongs to a mysterious ruler known only as, "The Keel."

Soon he is abducted by the shipwrecked crew and they decide to take him to their master to stand trial for the wanton destruction of his property. There is, however, one problem. The journey overland through the countryside that is a mystery to him will take weeks to cover, and the journey grows hazardous as they walk further across the fertile green plains and mountains of a place he now knows to be called, "Felastia." It all started with the mysterious woman: the red-headed girl who would arrive at his place of work unannounced and ask to be fed. Yet she is more than she looks, for he cannot seem to either shake her from his thoughts, but neither can he find her. She seems to have vanished into thin air. Or has she? But there are others in this land that are waiting for him: mysterious spheres of light that seem to follow his every move, spying on him. There are servants of darkness that seem to be showing an unhealthy interest in him too, for forces are abroad that are seeking him out for purposes known only to themselves, and soon he will find himself embroiled in a war, his part in which is to prove to be the adventure - and journey - of a lifetime.
